

An abstract painting with a textured surface. The top half features vertical bands of color: orange and yellow on the left, transitioning to green in the center, and blue on the right. The bottom half is dominated by various shades of green and blue, with some yellow and white highlights. The overall effect is a vibrant, multi-colored composition with visible brushstrokes and a sense of depth.

*I am Klodjan Liçi student in grade 8 in “Abdyl Paralloi” school. I have one year that I’m part of “ECE” foundation. We are a family that we have lived and live in difficult conditions. My father died two weeks ago. For many years he has been sick in bed. My mother was committed serving father and both of us, me and my brother. My brother is two years older. Mom is very tired and sad. She is impossible for work. We live with support of our relatives. I go to school with mama’s benediction to learn more that the future will be like the others. I hope that luck do not be unfair with me. With gratefully, Klodjan Liçi.*
